

BRING BACK THE LEGS THAT...

YOU had as a bride when you **Dance**  
at your daughter's wedding.

## Center for Vein Restoration

As the Mother of the Bride, you'll be the second most photographed woman at your daughter's wedding – we understand your wish to look and feel spectacular for that special day. But if you suffer from ugly spider veins and varicose veins, you're embarrassed by how your legs look. We can help bring back the smooth, flawless appearance your legs had when YOU were a bride.

Our Board Certified Doctors specialize in venous insufficiency – the medical condition behind varicose and spider veins. Most treatments are quick, non-invasive, with stunning results. Call us or visit us online to schedule a consultation at one of our many locations. We'll help you look better, feel better, live better – and love your legs again!

Locations in Maryland, Virginia, DC and Michigan. Visit our website for NEW locations opening in 2012.
