

BRING BACK THE LEGS THAT...

YOU had as
a bride when you
Dance at your
daughter's wedding.

You remember the feeling – how proud you were when your daughter announced her engagement. The excitement, the drama, and the many discussions about wedding colors, gowns and shoes. But then you realized that, as the Mother of the Bride, you'd be the second-most photographed woman at the wedding. And you started worrying about how to hide your legs because you're embarrassed by your varicose or spider veins. We can help you get noticed again.

With 16 clinics serving thousands of patients, our growing team of leading vascular surgeons and clinical researchers has a single focus: venous insufficiency, the medical condition behind varicose veins and spider veins. Most treatments are quick and are covered by insurance so you can look and feel your best for the big day and beyond. Call or visit us online to schedule a consultation today. We'll help you look better, feel better, live better – and love your legs again!

You remember the feeling – it seems like yesterday, your daughter starred as the Flower Girl in her cousin's wedding, and you taught her to dance. Now your little girl is all grown up and engaged to marry the "other man" in her life. As Father of the Bride you've got a major part to play in the big event, and she's going to be counting on you to escort her down the aisle.

Don't let the pain and discomfort of your varicose veins spoil the day. We can help you get back to Super Dad status and be ready for the big day.

With 16 clinics serving thousands of patients, our growing team of leading vascular surgeons and clinical researchers has a single focus: venous insufficiency, the medical condition behind varicose and spider veins. Call or visit us online to schedule a consultation today – most treatments are quick and are covered by insurance. We'll help you look better, feel better, live better – and love your legs again!
